

WHY SUPPORT POLK COUNTY FARM BUREAU?

Polk County Farm Bureau acts as the eyes and ears for Polk's diverse agriculture industry. We protect agriculture's best interests in areas of regulation, taxes, private property rights, and more. PCFB seeks to insure that local laws and regulations take the agriculture industry's needs, and economics and community impacts into consideration.

Through Agri-Fest, scholarships, mini-grants, FFA and 4-H program support, the Young Farmer and Rancher program, and active involvement in the development of agriculture agribusiness academies and university degrees, PCFB strives to cultivate future agriculture industry leaders and to educate the community about the role the agriculture industry plays in Polk County.

Support from sponsors enables us to raise the profile of and protect Polk County's agriculture industry.

As a Polk County Farm Bureau sponsor, your company will receive special recognition to PCFB's more than 4,500 family members through-out the year. Other sponsor benefits include tickets to our annual fundraiser, Harvest Celebration, a PCFB membership, and more.
